

Total Dental Care is making a case for convenience, with comprehensive dental services under one roof.

In the past a trip to the dentist often required a trip somewhere else – for services such as implants, extractions or root canals. At Total Dental, we offer everything you need at one convenient location. With our focus on patient comfort and convenience, you get the right care right here at home.

Our Services

In addition to standard dental services, such as preventive care, fillings and crowns, we offer a comprehensive range of Premium Dental Services including:

- **Dental Implants**
- **Cosmetic Dentures**
- **Orthodontics for Children & Adults**
- **Sedation Dentistry**
- **Root Canals & Extractions**

Dr. Aaron George, Dr. Austin Baker and Dr. Chris Harper

Our doctors are committed to providing you with the best care possible, which is why they make continuing education a top priority. They have concentrated their post-graduate training in the areas of cosmetic dentistry, orthodontics, implant dentistry, oral surgery, endodontics (root canals), sleep apnea, and oral sedation.

New Patient Referral Program

Thank you for choosing us for the dental care of you and your family. Our goal is always to provide you with the highest quality dental care in the friendliest, most caring way possible.

We hope the care you have received will inspire you to share us with your friends and family. That's why we have established our Share A Smile program - to thank you in a special way that allows both you and your friends and family to save money on dental work.

For details, visit GuntersvilleDentist.com.

How the Share A Smile New Patient Referral Program works.

- 1** Write your name and address on the attached \$50 referral certificate.
- 2** Give it to a friend, neighbor or co-worker who has never been to our practice. This certificate will give them a \$50 discount on their first appointment.
- 3** When they redeem their certificate, we'll thank you with a \$50 Dental Care Certificate.

There is no limit to the number of certificates you can use. Bring them in on your next visit and apply them toward routine dental care or cosmetic dental services - including our custom teeth-whitening system to brighten your smile.

The entire staff of Total Dental Care appreciates the opportunity to serve your dental needs.

Share A Smile.

Complete the information below and give this card to your friends to use for \$50 off their first visit. When the card is redeemed you will receive a \$50 Dental Care Certificate for future dental treatment at Total Dental Care.

Please use a permanent marker pen to complete form.
